

THE CONFERENCE FOR GLOBAL TRANSFORMATION

INQUIRIES OF THE SOCIAL COMMONS

Inquiry is an access to the immediate transformation of reality.

— Brian Regnier

We all start life wondering about the world. Somewhere along the way, we tend to lose our natural curiosity, and the world becomes more and more about what we know or don't know. Our natural instincts to inquire are suppressed.

We invite you to join us in rediscovering, celebrating and developing the free spirit of human inquiry on the weekly inquiry sessions on Zoom.
